What is NLP Leadership Certification?

Neuro-Linguistic Programming, better known as NLP, is a set of tools & techniques, systems & process that can be used to create positive change in yourself and in your Business. It allows us to become aware of the mechanics of the mind, so that we can learn how to control our thoughts and emotions. With this new conscious awareness, we learn all the tools & techniques for re-programming our subconscious mind to achieve greater Success and Happiness in all areas of our life & business. In this workshop, we focus specifically on the successful application of NLP skills into developing your Leadership, Communication & Influence.

Benefits of this NLP Leadership Certification

1. Improved Leadership & Influence

NLP helps us develop all areas of our Leadership, including better Communication, Conflict prevention & resolution, Influence, Problem Solving, Strategic Thinking, Decision Making, increase EQ, Goal Setting and much more. You’ll be able to develop all those soft-skills which are critical for great Leadership.

2. Coaching Structure & Process

As you discover all the tools & techniques of NLP, you’ll also learn & apply simple & effective Coaching methodologies, systems & processes, making your Coaching & Leadership efficient, productive & replicable with your colleagues & clients. Great Coaching skills make you a great Leader.

3. Professionally Accredited

This NLP Leadership Certification Training is internationally recognised by the ABNLP, the World’s largest NLP authority. Each module is carefully facilitated to ensure you learn the theory, demonstration, case study, practice & role play, and finishing with debrief plus Q&A. This ensures the deepest learning & application of all the NLP tools & techniques.

4. Advanced Leadership Tools

A ‘toolbox’ full of Leadership & Coaching tools, techniques, templates, systems, & processes that allow you to create change in your teams & clients. As we Coach & Lead others successfully, we are also developing our own skills & abilities to a deeper level.

5. Grow Your Career or Business

Whether you’re a Business Owner, Leader or Executive, these NLP tools are guaranteed to improve your chances of promotion, or will directly & positively affect your Business Growth, through greater Sales, Influence & world-class Leadership.
